number you provide above.

The Cooper Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Cooper Health System takes responsibility for the content, quality, and scientific integrity of this CME activity.

☐ If you require assistance with hearing or vision to make this activity accessible to you, please

check here and return your registration no later than May 13, 2025. We will contact you at the phone

The Cooper Health System designates this live activity for a maximum of **2** *AMA PRA Category 1 Credit*[™] per session. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

All faculty, planners, and others participating in continuing medical education activities sponsored by The Cooper Health System are expected to disclose all financial relationships.

Cooper University Health Care is approved as a provider of nursing continuing professional development by the New Jersey Nurse Credentialing Center's Commission on Accreditation. Successful completion of activity requires attendance at full program, and completion of the program evaluation. There is no conflict of interest associated with this activity.

Overall Learner Objectives:

- Understand the effects of the sickle cell disorders on brain development and cognition.
- Explain these effects of the sickle cell disorders to the patient and caregivers.
- Recognize the effects and refer for appropriate imaging and other cognitive interventions.
- Increase the provider's ability to modify interactions with the person with sickle cell to account for cognitive variations and challenges.

Intended Audience:

The intended audience for this conference includes primary care physicians, internal medicine physicians, gynecologists, and pediatricians. Residents, fellows, physician assistants, advanced practice nurses, and any other health care professional with an educational need or interest in this topic may also attend.

Cancellation Policy: The Cooper Health System reserves the right to cancel this conference due to insufficient enrollment or other unforeseen circumstances.

Please Note: If you are unable to attend after registering, please contact us as soon as possible at (856) 382-6480.
