Overall Learner Objectives:

- Evaluate emerging trends and innovations in oncology nursing including advances in genomics, therapeutics, and care delivery models to inform and support evidence-based clinical decision-making.
- Apply current guidelines and best practices to optimize the management of oncology patients across the continuum of care.
- Analyze opportunities for practice improvement and implement strategies to enhance quality and safety patient outcomes in the oncology care settings.

Intended Audience:

The intended audience for this conference includes registered nurses, advanced practice providers and primary care providers. Residents, fellows, nursing students and other allied health professionals with an educational need or interest in this topic may also attend.

Accreditation/Designation/Disclosure:

In support of improving patient care, The Cooper Health System is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

The Cooper Health system designates this live activity for a maximum of **6.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

6.5 ANCC Contact Hours

This activity was planned by and for the healthcare team, and learners will receive **6.5 Interprofessional Continuing Education (IPCE) credits** for learning and change.
